DEALER LICENSE REQUIREMENTS

WHO IS REQUIRED TO BE LICENSED AS A DEALER?

You must be licensed as a Motor Vehicle dealer if you sell eight or more vehicles in a calendar year. You must be licensed as a Trailer, Powersport or Boat dealer if you sell six or more trailers, powersports, or boats in a calendar year, unless you are:

- A financial institution or selling repossessed motor vehicles;
- Disposing of vehicles used and titled solely in your ordinary course of business; or
- A collector of antique motor vehicles.

For the purposes of [Sections 301.550 to 301.573](#), RSMo, the sale, barter exchange, lease, or rental with option to purchase of six or more motor vehicles in a calendar year by any person, partnership, corporation, company, or association, whether or not the motor vehicles are owned by them, shall be prima facie evidence of intent to make a profit or gain of money and such person, partnership, corporation, company, or association shall be deemed to be acting as a motor vehicle dealer. Any person, partnership, corporation, company, or association who is in violation is guilty of a Class A misdemeanor.

HOW DO I APPLY FOR A LICENSE?

All dealer licenses and license plates expire the 31st of December of the license expiration year. Missouri law provides for no “grace period.” You must title and pay tax on all motor vehicles, trailers, or boats that you buy and sell during the time you are not a licensed Missouri dealer.

To apply for a license as a new Missouri dealer, manufacturer, or auction go to MyDMV.mo.gov/mv and click on “Businesses”.

Be prepared to upload the following documents:

- Photograph of the applicant’s building, lot, and sign, (new applicants only);
- *Inspection and Certification for Dealer, Auction, or Manufacturer Business License* ([Form 5748](#))
- Certificate of Dealer Educational Seminar Completion (used motor vehicle dealers only);
- Franchise Agreement or Letter of Appointment, if applicable;
- Corporate Surety Bond ([Exhibit A](#)) or Irrevocable Letter of Credit ([Exhibit B](#)) (does not apply to auctions or manufacturers);
- Garage liability policy (does not apply to trailer, auction, or manufacturers);
- Mail-to letter signed by the post office, if your mailing address is different than your physical address;
- Appropriate fees; and
- A completed criminal record, which the dealer obtains from the Missouri State Highway Patrol or the agency responsible for criminal records in the dealer’s state of residency.
- The above requirements are further explained in the pages that follow.

You may also submit the above requirements, along with an *Application for Dealer, Auction, or Manufacturer License and Number Plate(s)* ([Form 4682](#)), to the address listed on Form 4682.

COMPLETING THE ONLINE APPLICATION FOR A NEW OR RENEWAL MISSOURI DEALER LICENSE

All incorrect or incomplete applications will be rejected. If you are renewing, please verify the following information is still accurate.

ORGANIZATION INFORMATION

- Business name - List the name(s) to be used by the business (e.g., John Doe Enterprises, Inc., DBA John Doe Auto Sales). The DBA should be registered with the Secretary of State as a fictitious name. A corporate surety bond ([Exhibit A](#)) or irrevocable letter of credit ([Exhibit B](#)) must be in the same name listed on application. If your dealer license is approved and a title application is submitted under a name other than the licensed name, the title transaction will be rejected.
- Registration with Secretary of State - The license applicant must be properly registered with the Secretary of State as required by Missouri law. For more information, please contact the Secretary of State's Office by calling (573) 751-3827 or at sos.mo.gov. A copy of this registration is not required to be submitted with your dealer application, except as noted in item 3 for signage.

PHYSICAL ADDRESS

Enter complete business address. A mailing address may be added by clicking the blue plus sign (+) **only** if the United States Postal Service will not deliver mail to your business location address because of security reasons such as theft or vandalism. You must provide a copy of the letter from the postal authorities to confirm that mail cannot or will not be delivered to your business address with your application before a "Mail To" will be considered for approval. Lack of a proper mail receptacle is not justification for the use of a "Mail To" address.

REGULAR BUSINESS HOURS OF OPERATION

A bona fide established place of business must be open at regular business hours when the owner or operator may be contacted by the public at the business address. "Regular" business hours are considered to be a minimum of 20 hours per week. You may satisfy these requirements by being open at least four days (Monday through Saturday) each week. Only hours between 6 a.m. and 10 p.m. will be considered by the Department in determining whether a place of business is open the minimum 20 hours per week. You must post the business hours at the business location and must have the records accessible for inspection during the posted times.

Sunday sales are prohibited unless conducting an off-premises show or sale or as otherwise described in [Section 8](#).

CONTACT INFORMATION

- Business telephone number and email address - Provide your business telephone number and email address. Also include a contact person and their telephone number.

LICENSE OPERATIONS

- Operation Type - Refer to definitions in [Section 2](#) to determine the appropriate type of business operations. A new application is required for each type of operation.

- Public or Wholesale Auctions: When registering as an auction, check “Public Motor Vehicle Auction” or “Wholesale Motor Vehicle Auction” in Section 4. Auction records must be kept separate from dealership records, and you must maintain a display area or lot separate from the dealership lot for auction vehicles.
- Manufacturers: When requesting a manufacturer’s license, you must submit a letter that lists the makes of all motor vehicles, trailers, or boats that you manufacture. If you are a “final state” manufacturer or **converter**, you must list the makes of the vehicle bodies (e.g., dump, hoist, coach) that you manufacture, and provide a brief description of operation. A separate sheet of paper may be used if necessary. Indicate if you are the manufacturer of the vehicle bodies, or if you perform the conversion work. Also, indicate if you sell directly to the general public, or if you sell units to another dealer for resale to the general public. If so, you must apply for the appropriate dealer license.
- Unit Type – If your application indicates that you will be selling new or used power sports, and other types of units (motor vehicle, cycles and/or trailers), the dealer licensing section will assign one dealer license number for selling and/or demonstrating all unit types specified.

PLATE INVENTORY

- Plate quantity - Dealers may receive up to two plates initially and may request additional plates based on the following:
 - Dealers may purchase a third plate after 15 sales and one plate per every ten sales thereafter, except for RV dealers who may purchase two plates for every ten sales for the first 50 sales and then one plate for every additional ten sales over 50.
 - For new businesses, additional plates are based off the number of estimated sales; and
 - For renewing businesses, additional plates are based off the number of sales made between July 1 of the previous licensure year through June 30 of the current licensure year.
 - The maximum number of dealer plates you may purchase is based on the number of sales that you estimate you will make during your first licensure year and the above criteria for renewing dealers. Once you determine your sales estimate and the quantity of plates you want to purchase, enter the number of plates you want and the plate type (e.g., motor vehicle, motorcycle, boat).
 - Motor vehicle dealers who also have a salvage business license will be entitled to one additional plate for every 50 vehicles purchased from July 1 of previous year through June 30 of the current year. Dealers who request to purchase additional plates must supply a list of the salvage vehicles purchased reflecting the year, make, and VIN.
 - Manufacturers may purchase up to 350 plates.
 - See the following chart for plate types and descriptions.

FEES

If applying for licensure by completing [Form 4682](#), you must submit one check or money order for the license and plate fees. If you are applying using MyDMV, fees will be systematically calculated. See [Section 4](#) for detailed fee information.

BOND POLICIES

- Corporate Surety Bond Requirement or Irrevocable Letter of Credit - Section [301.560\(3\)](#), RSMo, requires motor vehicle dealers, powersport dealers, boat dealers, emergency vehicle dealers and trailer dealers to submit either a corporate surety bond ([Exhibit A](#)) or an irrevocable letter of credit ([Exhibit B](#)) issued by any state or federal financial institution, in the penal sum of \$50,000, with their application for dealer registration. The bond or irrevocable letter of credit must be on a form approved by the dealer licensing section. The dealer must be bonded for the entire licensure year. Any bond that is submitted must be in effect through December 31 of the licensure year, or is a "non-expiring" bond. If the bond or letter of credit on file expires or is cancelled, a new bond or letter of credit must be submitted to the Department **on or before** the date of expiration or cancellation. The bond or irrevocable letter of credit **does not** apply to auctions or manufacturers.

FRANCHISE AGREEMENT OR LETTER OF APPOINTMENT

The document must include the name and address of the franchisee, effective date of the franchise agreement, expiration date (or show non-expiring), and make(s) of vehicle(s) the franchisee is authorized to sell. The document must state that the dealer licensing section will be notified in case of cancellation by either party. The document must provide notification to the Department at least 30 days prior to cancellation of the franchise ([Exhibit C](#)).

A "Manufacturer's Certification of a Dealer" is acceptable for franchise authorization only if the corresponding franchise agreement is on file with the Dealer Licensing Section. **A manufacturer's letter of intent will not suffice as proof of franchise.** A dealer wanting to sell new vehicles for

which they do not have a franchise agreement must apply for a title in the dealership's name.

Certificates of Origin for any given make of vehicle may only be assigned by dealers who are franchised to sell that make of motor vehicle. If you are requesting licensure as a manufacturer, you must issue franchise agreements to the dealers whom you authorize to sell those vehicle makes or vehicle bodies that you manufacture. You must supply a Manufacturer's Certificate of Origin for each vehicle or vehicle body manufactured.

OWNER INFORMATION

Enter complete owner information. When renewing online, click on the plus sign (+) in the right corner of the green banner to add additional owners, if applicable.

BACKGROUND CHECK INFORMATION

A criminal record is required for each owner listed on the dealer license application and must have been issued within six months of the issuance or renewal of the dealer license. When renewing online, click the plus sign (+) to upload additional background check records.

When ***renewing or obtaining your initial Missouri Dealer License***, you must obtain a criminal record utilizing the Missouri State Highway Patrol's Missouri Automated Criminal History Site (MACHS). This site can be accessed at <https://www.machs.mshp.dps.mo.gov/MACHSFP/home.html> or via link on the Department of Revenue's dealer website at <https://mydmv.mo.gov/businesslicensing/BusinessLicense/AppStatus>.

Upon registering with MACHS, you will be prompted to create a personal account. Following the submission of your record check request, the response will be returned directly to your MACHS account that you created. Your response may be returned almost instantaneously, however, some results may take several days depending on processing workloads. NOTE: A Dealer may set up one account and request multiple record checks under this one account.

To avoid a delay in obtaining a dealer license, it is very important that dealers begin this process as soon as possible in order to have the criminal record when sending in license renewal documentation or initial licensing documentation.

Be sure to check your MACHS account frequently as MACHS will only retain the criminal record results for 30 days. After 30 days, MACHS will archive the results and a new criminal record request must be submitted with additional payment.

Record check results should be retrieved from your account and provided with your renewal application.

Points to remember:

- A name-based criminal history record is required for each owner listed on the dealer license application and must have been issued within six months of the issuance or renewal of the dealer license.
- The web address for the MACHS system is:
<https://www.machs.mshp.dps.mo.gov/MACHSFP/home.html>
- Choose the option "Click Here to Access the MACHS Name Search Portal to conduct a background check by Name, Date of Birth, or Social Security Number."

If any of the owners, partners, or principal officers is a resident of a state other than Missouri, you must submit a current background check from the Highway Patrol or Background Investigation Bureau in the state in which they reside.

SIGNATURE

An owner, partner, or corporate officer listed on the application must provide an electronic signature.

- By signing the application, the applicant certifies that the information is true and accurate and that the business has, and will maintain, during the entire period of registration, financial responsibility (liability insurance) with respect to each motor vehicle that is owned, licensed, or operated on the streets or highways. This includes motor vehicles held for resale.

For more information regarding financial responsibility, contact the Missouri Department of Revenue, Driver License Bureau, PO Box 200, Jefferson City, MO 65105-0200, or your insurance agent. You may call the Driver License Bureau at (573) 751-4600.

LOCATION INSPECTION

- Inspection and certification - An authorized law enforcement officer or designee must complete the *Inspection and Certification for Dealer, Auction, or Manufacturer Business License* ([Form 5748](#)) to certify that the applicant has a **bona fide established place of business** as set forth in [Section 301.560](#), RSMo.
 - Dealers selling **only** emergency vehicles are exempt from this requirement.
 - A motor vehicle dealer's business must be inspected by the Missouri State Highway Patrol or authorized designee prior to submitting the application to the dealer licensing section.
 - A boat dealer or boat manufacturer's business may be inspected by the Missouri State Highway Patrol.
 - If the business is located in a first class county (Boone, Buchanan, Camden, Callaway, Cape Girardeau, Cass, Clay, Cole, Franklin, Greene, Jackson, Jasper, Jefferson, Platte, St. Charles, St. Louis, St. Louis City, and Taney), authorized metropolitan police who are employed in the same city in which the business is located may complete the inspection.
 - Certification may not be completed by a sheriff or marshal.

Applicants who are licensed within **two months** of the license expiration date shall not be required to have the **renewal** application certified by a law enforcement agency or officer provided the renewal application is filed before the present license expires. Certification of Renewal applications for all dealers, except franchise dealers and emergency vehicle dealers must be completed every year for the first three years and every other year thereafter.

The following is considered when determining the existence of a **bona fide established place of business** for motor vehicle manufacturers, new motor vehicle franchise dealers, used motor vehicle dealers, wholesale dealers, powersport dealers, boat dealers, boat manufacturers, trailer dealers, trailer manufacturers, and public and wholesale auctions. You must maintain a bona fide place of business for the entire registration period. The Director of Revenue retains the right to determine the existence of a bona fide place of business at any time.

- Permanently Enclosed Building - A bona fide established place of business must have a permanently enclosed building or structure either owned in free or leased and actually occupied and primarily used in whole, or in clearly designated and segregated part, as a place of business by the applicant for the selling, bartering, trading, servicing, or exchanging of motor

vehicles, trailers, all-terrain vehicles, personal watercraft or boats, and where the public may contact the owner or operator at any reasonable time and where books, records, files, and other matters required and necessary to conduct business are kept. A working telephone number shall be maintained during the entire registration year, which will allow the public, the department, and law enforcement to contact the applicant during regular business hours.

- If a travel trailer or a manufactured home is being used as the office, it must be anchored to the ground and the wheels removed.
- If a dealer is also licensed as an auction, the auction records must be kept separately from the dealership records.

Example: *An applicant for a motor vehicle dealer license maintains a building or structure primarily used in the operation of a business other than the sale or exchange of motor vehicles. As a sideline the applicant wants to engage in the business of selling motor vehicles. The building or structure used primarily for business other than the selling or exchanging of motor vehicles does not qualify as a bona fide established place of business for the selling of motor vehicles unless an area is clearly designated and records are separately maintained for the purpose of selling, bartering, trading, servicing, or exchanging motor vehicles, powersports, boats, or trailers.*

- **Display Area** - A bona fide established place of business must contain an area or lot that is not a public street upon which multiple vehicles, boats, personal watercraft, or trailers may be displayed. The display area of the principal place of business and each branch location of the business must be of sufficient size to physically accommodate vehicles of the type which the business is licensed to sell. The display area must:
 - Be clearly for the exclusive use of the dealer, auction, or manufacturer for display purposes as to prevent confusion or uncertainty concerning its relationship to the business.
 - Provide unencumbered visibility from the nearest public street of the vehicles being sold by the dealer, auction, or motor vehicle manufacturer.

An auction must maintain a display area or lot separate from the dealer's lot for auction vehicles. An enclosed garage **does not** qualify as a proper display area.

A licensee in more than one class of business may use the same building and display area for all classes so long as each use is separately and clearly marked. Records must be maintained separately and separate signs as specified below must be displayed.

- **Signage** - The sign must:
 - Contain the name of the dealership by which it is known to the public through advertising or otherwise. The name on the sign is not required to be identical to the name appearing on the dealership's license, provided such name is registered as a fictitious name with the Secretary of State and has been approved by the dealer's line-make manufacturer, in writing, in the case of a new motor vehicle franchise dealer. **A copy of the fictitious name registration must accompany the application for dealer licensure in this case.**
 - Have letters **at least six inches in height** and be clearly visible to the public. The sign shall be of a permanent nature, erected on the exterior of the office or on the display area, and be constructed or painted and maintained so as to withstand reasonable climatic effects and be readable.

- A banner is not acceptable as a permanent sign. A temporary sign or device may be used while you are obtaining a permanent sign or device, provided an order for construction, purchase, or painting has in fact been placed. **A copy of the sign work order and a picture of the temporary sign must be submitted with the application.**
- If a franchise dealer purchases a currently licensed new motor vehicle franchise dealership, the dealer may submit a photo of the existing dealership sign until a new sign is acquired.
- **A public motor vehicle auction** licensee shall display, in a conspicuous manner, two additional signs, each of which shall bear the following warning in letters **at least six inches high**: “Attention Buyers: Vehicles sold at this auction may not have had a safety inspection.” The dimensions of each sign shall be **at least two feet by two feet**.

NOTE: Bona fide established place of business of all applicants must be maintained for the entire licensure year. If the bona fide established place of business is not maintained, the licensee must notify the dealer licensing Section within 10 days and surrender, at that time, all temporary permits, license, and license plates or certificates of number. If the licensee intends to relocate prior to the expiration of the license, the Department must be informed of such intent at the time the license is surrendered. If the business is then certified at a new location, the Department will return the temporary permits, license plates, or certificates of number and issue a new license reflecting the new location for no additional fee. The Department or its representative reserves the right to determine the existence of a bona fide established place of business at any time.

GARAGE POLICIES

- Garage Liability Policy - Every applicant, as a new motor vehicle franchise dealer, manufacturer, a used motor vehicle dealer, a power sport dealer, a wholesale motor vehicle dealer, or boat dealer must furnish with the application a copy of a current dealer garage policy bearing the policy number, effective and expiration date, name and address of the insurer and the insured. Emergency vehicle dealers are required to provide policy prior to licensing. Trailer dealers are exempt.

BUSINESS PHOTO

A current photograph, not exceeding eight inches by ten inches but no less than five inches by seven inches of the applicant's place of business must be submitted.

- The initial application for licensure must include a photograph which must show the business **building, lot, and sign**. If more than one photograph is necessary to show all three, a statement must be submitted that clearly explains that all photos were taken at the same address. Digitized photos are acceptable.

Dealers who sell only emergency vehicles are exempt.

CERTIFICATE OF DEALER EDUCATIONAL SEMINAR COMPLETION

All used motor vehicle dealers (excluding wholesale dealers, powersport, trailer, public auctions, franchise, boat, RV and dealer applicants who currently own a separately licensed dealership) applying for a motor vehicle dealer's license for the **first time**, must provide proof of attendance at a Dealer Educational Seminar approved by the Department. See <http://dor.mo.gov/motorv/liendeal/seminar/> for more information regarding the dealer education seminars.

MONTHLY SALES REPORTING

[Section 301.280](#), RSMo, provides that “Every motor vehicle dealer and boat dealer shall make a monthly report to the Department of Revenue, on blanks to be prescribed by the Department of Revenue, giving the following information: date of the sale of each motor vehicle, boat, trailer, and all-terrain vehicle sold; the name and address of the buyer; the name of the manufacturer, year of manufacture, model of vehicle; vehicle identification number; style of vehicle; odometer setting; and it shall also state whether the motor vehicle, boat, trailer, or all-terrain vehicle is new or secondhand.” The monthly sales report shall include a statement of motor vehicles or trailers sold during the month under subsection 5 of [Section 301.210](#), which states that a motor vehicle dealer “may deliver a motor vehicle or trailer to a purchaser with a written agreement to pass the certificate of owners with an assignment to the purchaser within thirty days after delivery, inclusive of weekends and holidays.”

The Motor Vehicle Bureau, Dealer Licensing Section, will **reject** all sales reports that are missing information.

Dealers are required to report sales by the 15th of the month following the month in which the sale occurred. Sales may be filed using the [Online Notice of Sale Application](#) or by submitting a *Dealer Monthly Sales Report* ([Form 385](#)) and a Notice of Sale ([Form 5049](#)) for each Missouri retail sale outlined on the form. Any dealer who fails to file the required dealer’s monthly sales reports, or who fails to file them timely, shall be subject to disciplinary action as prescribed by [Section 301.562](#), RSMo, or a penalty may be assessed by the Director not to exceed **\$300 per violation** as allowed by [Section 301.280](#), RSMo. The \$300 penalty will be assessed per delinquent report. If a penalty is due, the Department will not renew your dealer license.

E-FILING DEALER REPORTS OR COMPLETING A NOTICE OF SALE

If you elect or are required by law to file your motor vehicle, trailer, ATV, and boat sales electronically, complete an *Application For Online Dealer’s Monthly Sales Report Filing* ([Form 5092](#)) and submit to the Department. Once approved, you will be issued a user ID and password to access the Department’s online [Notice of Sale \(NOS\) Application](#). Refer to the [NOS Dealer User Manual](#) for step-by-step electronic filing instructions.

Dealers who sell 20 or more motor vehicles, trailers, ATVs, and boats per month must file their sales reports electronically. For additional information, refer to the [Sales Reporting Requirements FAQs](#). Dealers must file the dealer’s monthly sales report electronically through the Department’s [Online Notice of Sale \(NOS\) Application](#). For additional information, refer to the [NOS Dealer User Manual](#).

All sales must be reported using one of the following two electronic reporting options:

- **Option #1** - Enter each sale one-at-a-time using the Department’s online [Notice of Sale \(NOS\) Application](#). For additional information, refer to the [NOS Dealer User Manual](#).
 - Front-end edits alert the dealer of errors made at the time data is entered.
 - Dealers may add, delete (rescinded sales), or amend reports (sales corrections)

submitted within the previous two months provided "File Monthly Sales Report" has not yet been selected.

- **Option #2** - Submit a prescribed file to the Department's secure server through the Department's online [Notice of Sale \(NOS\) Application](#). This method is for dealers who use front-end vendor software (or software developed by the dealer) to complete title applications, etc., and avoids duplicate entry of sales data.
 - Once submitted, the Department will notify you via email if errors are found in the file. Corrections must be made online at that time.

If you file electronically, you will no longer file the paper *Monthly Sales Report* ([Form 385](#)) and *Notice of Sale* ([Form 5049](#)) but you must continue to submit copies of the *Secure Power of Attorney* ([Form 5086](#)) and copies of the front and back of corresponding titles each month by the fifteenth of each month, for the previous month.

PENALTY FOR FALSE STATEMENT OR OMISSION OF FACTS ON SALES REPORTS

[Section 301.280](#), RSMo, provides that any person who knowingly makes a false statement or omission of a material fact in a monthly sales report to the Department of Revenue shall be deemed guilty of a class A misdemeanor.

DEALER ADVERTISING PRACTICES

[Section 301.567](#), RSMo, provides “Advertising standards, violation of, when.”

A violation of any of the following advertising standards shall be deemed an attempt by the advertising dealer to obtain a fee or other compensation by fraud, deception, or misrepresentation in violation of [Section 301.562](#), RSMo:

- A motor vehicle shall not be advertised as new, either by express terms or implication, unless it is a "new motor vehicle" as defined in [Section 301.550](#), RSMo;
- When advertising any motor vehicle which is not a new motor vehicle, such advertisement must expressly identify that the motor vehicle is a used motor vehicle by express use of the term "used", or by such other term as is commonly understood to mean that the vehicle is used;
- Any terms, conditions, and disclaimers relating to the advertised motor vehicle's price or financing options shall be stated clearly and conspicuously. An asterisk or other reference symbol may be used to point to a disclaimer or other information, but not be used as a means of contradicting or changing the meaning of an advertised statement;
- The expiration date, if any, of an advertised sale or vehicle price shall be clearly and conspicuously disclosed. In the absence of such disclosure, the advertised sale or vehicle price shall be deemed effective so long as such vehicles remain in the advertising dealer's inventory;
- The terms "list price," "sticker price," or "suggested retail price" shall be used only in reference to the manufacturer's suggested retail price for new motor vehicles, and, if used, shall be accompanied by a clear and conspicuous disclosure that such terms represent the "manufacturer's suggested retail price" of the advertised vehicle;
- Terms such as "at cost," "\$..... above cost," "invoice price," and "\$.....below or over invoice" shall not be used in advertisements because of the difficulty in determining a dealer's actual net cost at the time of the sale;
- When the price or financing terms of a motor vehicle are advertised, the vehicle shall be fully identified as to year, make, and model. In addition, in advertisements placed by individual dealers and not line-make marketing groups, the advertised price or credit terms shall include all charges which the buyer must pay to the dealer, except buyer selected options and state and local taxes. If a processing fee or freight or destination charges are not included in the advertised price, the amount of any such processing fee and freight or destination charge must be clearly and conspicuously disclosed within the advertisement;
- Advertisements of "dealer rebates" shall not be used, however, this shall not be deemed to prohibit the advertising of manufacturer rebates, so long as all material terms of such rebates are clearly and conspicuously disclosed;
- "Free" and "at no cost" shall not be used if any purchase is required to qualify for the "free" item, merchandise, or service;

- "Bait advertising" in which an advertiser may have no intention to sell at the prices or terms advertised, shall not be used. Bait advertising shall include, but not be limited to, the following:
 - **Example #1** - *Not having available for sale, the advertised motor vehicles at the advertised prices. If a specific vehicle is advertised, the dealer shall be in possession of a reasonable supply of such vehicles, and they shall be available at the advertised price. If the advertised vehicle is available only in limited numbers or only by order, such limitations shall be stated in the advertisement.*
 - **Example #2** - *Advertising a motor vehicle at a specified price, including such term "as low as \$.....," but having available for sale only vehicles equipped with dealer-added cost options, which increase the selling price above the advertised price.*
- Any reference to monthly payments, down payments, or other reference to financing or leasing information shall be accompanied by a clear and conspicuous disclosure of the following:
 - Whether the payment or other information relates to a financing or a lease transaction;
 - If the payment or other information relates to a financing transaction, the minimum down payment, annual percentage interest rate, and number of payments necessary to obtain the advertised payment amount must be disclosed, in addition to any special qualifications required for obtaining the advertised terms including, but not limited to, "first-time buyer" discounts, "college graduate" discounts, and a statement concerning whether the advertised terms are subject to credit approval; and
 - If the payment or other information relates to a lease transaction, the total amount due from the purchaser at signing with such costs broken down and identified by category, lease term expressed in number of months, whether the lease is closed-end or open-end, and total cost to the lessee over the lease term in dollars.
- Any advertisement which states or implies that the advertising dealer has a special arrangement or relationship with the distributor or manufacturer, as compared to similarly situated dealers, shall not be used;
- Any advertisement which, in the circumstances under which it is made or applied, is false, deceptive, or misleading shall not be used;
- No abbreviations for industry words or phrases shall be used in any advertisement unless such abbreviations are accompanied by the fully spelled or spoken words or phrases.
- The requirements of this section shall apply regardless of whether a dealer advertises by means of print, broadcast, electronic media, or direct mail.
- If the advertisement is by means of a broadcast or print media, a dealer may provide the disclaimers and disclosures required under [Section 301.567.2](#), RSMo, by reference to an Internet web page or toll-free telephone number containing the information required to be disclosed.
- Dealers shall clearly and conspicuously identify themselves in each advertisement by use of a dealership name which complies with [Section 301.560](#), RSMo.

DEALER OFF-PREMISES AND SUNDAY SALES

OFF-PREMISES SHOW

An off-premises show includes the stationary display of all or any part of a motor vehicle dealer's inventory at any location other than the dealer's usual, bona fide established place of business, regardless of whether sales agents, other dealership employees, or owners are present to promote the sale of or to sell the displayed vehicle(s) or to otherwise transact business concerning the dealership.

Dealers shall be divided into classes as follows for the purposes of off-premises shows:

- Boat dealers;
- Franchised new motor vehicle dealers;

- Recreational motor vehicle (RV) dealers;
- Historic motor vehicle dealers;

Off-premises show restrictions do not apply to vessel or trailers.

RV dealers may participate in an off-premises show or sale, even if a majority of other RV dealers in a city or town do not participate in the event.

Auctions (public or wholesale) may not be conducted off-site.

OFF-PREMISES DISPLAYS

The following vehicle displays are not considered off-premises shows and are not subject to restrictions:

- Promotions or contests, conducted by a person or business who is not a licensed motor vehicle dealer, that involve the stationary display of a dealer's motor vehicle as a means of attracting attention to and participation in the promoter's event, service or product;
 - The dealer providing the motor vehicle **must remove** all items identifying the dealer from the motor vehicle prior to its display, with the exception of information required to be displayed on the vehicle by federal and state law.
 - The promoter, **not the dealer**, may identify the dealer only by means of a notation on its promotional material stating "vehicle provided courtesy of (name of dealer)" or similar language.

SALVAGE BUSINESS LICENSE REQUIREMENTS

WHO IS REQUIRED TO BE LICENSED AS A SALVAGE BUSINESS?

You must be licensed as a salvage business if you conduct business as a used parts dealer, salvage dealer and dismantler, body shop, re-builder, or scrap processor, **unless** such activities are incidental to the sale, repair, rebuilding, or servicing of vehicles by a registered Missouri motor vehicle **franchised** dealer. A business that sells only used tires is not required to obtain a salvage business license.

HOW DO I APPLY FOR A LICENSE?

The Department will issue a Salvage Business License Certificate of Registration to all salvage business license applicants upon approval of their application. All salvage business licenses expire on June 30th every two years. It is unlawful for anyone to operate as a salvage business licensee who is not registered as such.

Any person who wishes to register as a salvage business may apply online using [MyDMV.mo.gov](https://mydmv.mo.gov).

Be prepared to upload the following documents in a TIFF or PDF format:

- *Inspection and Certification for Missouri Salvage Business License* ([Form 5747](#));
- A completed criminal record which the licensee obtains from the Missouri State Highway Patrol or the agency responsible for criminal records in the dealer's state of residency;
- Photograph of the applicant's building and building premises;
- Mail-to letter signed by the post office, if your mailing address is different than your physical address; and
- Appropriate fees.

The above requirements are further explained in the pages that follow.

You may also submit the above requirements, along with an *Application for Missouri Salvage Business License* ([Form 1879](#)), to the address listed on Form 1879.

OWNER INFORMATION

BACKGROUND CHECK INFORMATION

A criminal record is required for each owner listed on the salvage business license application and must have been issued within six months of the issuance or renewal of the salvage business license, click the plus sign (+) to upload additional background check records.

When ***renewing or obtaining your initial Missouri Salvage Business License***, you must obtain a criminal record utilizing the Missouri State Highway Patrol's Missouri Automated Criminal History Site (MACHS). This site can be accessed at <https://www.machs.mshp.dps.mo.gov/MACHSFP/home.html> or via link on the Department of Revenue's dealer website at <https://mydmv.mo.gov/businesslicensing/BusinessLicense/AppStatus>.

Upon registering with MACHS, you will be prompted to create a personal account. Following the submission of your record check request, the response will be returned directly to your MACHS account that you created. Your response may be returned almost instantaneously, however, some results may take several days depending on processing workloads. (Note: A salvage business may set up one account and request multiple record checks under this one account.)

To avoid a delay in obtaining a salvage business license, it is very important that owners begin this process as soon as possible in order to have the criminal record when sending in license renewal documentation or initial licensing documentation.

Be sure to check your MACHS account frequently as MACHS will only retain the criminal record results for 30 days. After 30 days, MACHS will archive the results and a new criminal record request must be submitted with additional payment.

Record check results should be retrieved from your account and provided with your renewal application.

Points to remember:

- A name-based criminal history record is required for each owner listed on the salvage business license application and must have been issued within six months of the issuance or renewal of the dealer license.
- The web address for the MACHS system is:
<https://www.machs.mshp.dps.mo.gov/MACHSFP/home.html>
- Choose the option "Click Here to Access the MACHS Name Search Portal to conduct a background check by Name, Date of Birth, or Social Security Number."

If any of the owners, partners, or principal officers is a resident of a state other than Missouri, you must submit a current background check from the Highway Patrol or Background Investigation Bureau in the state in which they reside.

SIGNATURE

An owner, partner, or corporate officer listed on the application must sign the application.

By signing the application, the applicant certifies that the information is true and accurate and that the business has, and will maintain, a bona fide place of business, during the entire period of registration.

LOCATION INSPECTION

Inspection and Certification for Missouri Salvage Business License ([Form 5747](#)).

BUSINESS PHOTO

A photograph, not to exceed eight inches by ten inches (8" x 10") and no smaller than five inches by seven inches (5" x 7"), showing the building and building premises. This must accompany the initial application but is not required for renewals, unless changes have been made to the building or building premises.

TAXES ON PARTS

A salvage business **must** have a Missouri Retail Sales Tax License to sell new or used parts and must collect the tax from the purchaser of the parts.

A salvage business that uses parts from their inventory for their own use (e.g., rebuilding a motor vehicle), must pay taxes on the purchase price of the parts unless he or she is also registered as a motor vehicle dealer.

State and local tax is due on the sale of motor vehicle parts. The tax rate for state sales tax is 4.225% of the net price of the part, in addition to any local taxes that are imposed.

SALVAGE POOLS AND DISPOSAL SALES

[Section 301.217](#), RSMo, defines a salvage pool or salvage disposal sale as, "a scheduled sale at auction or by private bid of wrecked or repairable motor vehicles by insurance by companies, underwriters, or dealers, either at retail or wholesale."

Records Required Of Salvage Pools or Salvage Disposal Sale Operators

Operators of salvage pools or disposal sales:

- Are not required to be registered with Department of Revenue;
- Are required to keep records for three years of the purchasers' name and address, and the year, make, and vehicle identification number for each vehicle;
- Are required to submit records to the Dealer Licensing Section on a quarterly basis; and
- These records shall be open for inspection as provided in [Section 301.225](#).

Only the following persons may participate in sales at salvage pools or disposal sales:

- Engaged and holding a current Missouri salvage license;
- From another state or jurisdiction who are legally allowed in their state to purchase for resale, rebuild, dismantle, crush or scrap motor vehicles; or
- Who reside in a foreign country and are purchasing salvage vehicles for export outside the United States.

Sellers of non-repairable or salvage vehicles at salvage pools or disposal sales for export outside of the United States must:

- or the name of the governmental entity, as applicable; and
- Forward copies of the title to the Dealer Licensing Section on a quarterly basis.

Operators of salvage pools or salvage disposal sales must keep a record of all sales of salvage vehicles for three years. The records must contain the purchaser's name, address, year, make, and vehicle identification number for each vehicle purchased. The records must be open to inspection by any representative of the Department of Revenue, uniformed officer member, or designated employee of the Missouri State Highway Patrol, or any law enforcement officer.

RESPONSIBILITIES OF A BODY SHOP

Any time a body shop replaces two or more major component parts on an individual's vehicle, the body shop should notify in writing the Department of Revenue, PO Box 100, Attention: Rebuilt Section, Jefferson City, MO 65105 of the following:

- Individual's name and address;
- Year, make, and vehicle identification number; and
- Major component parts replaced.

RESPONSIBILITIES OF A SCRAP METAL OPERATOR

[Section 301.227](#), RSMo, requires a scrap metal operator to obtain proof of ownership and keep records of all motor vehicles or motor vehicle parts purchased. A scrap metal operator may purchase a motor vehicle over 10 years of age or motor vehicle parts without obtaining an original certificate of title, salvage certificate of title, or a junking certificate from the seller (follow instructions on the [Form 5423](#)).

NOTE: The ownership documents obtained from a non-salvage business licensee must have "sold for destruction" or "destroyed" stamped or written on the face of the title, along with the name of the purchaser and the date vehicle was sold. The title must be forwarded to the director of revenue within ten days of purchase for destruction.

A scrap processor must keep a record for three years of all motor vehicles or motor vehicle parts purchased. The record must be open for inspection as provided in [Section 301.225](#), RSMo, and include the following information:

- Seller's name and address;
- Salvage business license number, if applicable;
- Date of purchase; and
- Motor vehicle or motor vehicle parts identification numbers.

DEALER AND SALVAGE BUSINESS RECORD KEEPING REQUIREMENTS

DEALERS

RECORD KEEPING REQUIREMENTS

[Section 301.280\(2\)](#), RSMo, provides that, “Every dealer and every person operating a public garage shall keep a correct record of the vehicle identification number, odometer setting, manufacturer’s name of all motor vehicles or trailers accepted by him for the purpose of sale, rental, storage, repair or repainting, together with the name and address of the persons delivering such motor vehicle or trailer to the dealer or public garage keeper, and the person delivering such motor vehicle or trailer shall record such information in a file kept by the dealer or garage keeper. The record shall be kept for five years and be open for inspection by authorized or designated employees of law enforcement and persons, agencies, and officials designated by the Director of Revenue.”

MAINTAINING RECORDS DIGITALLY

[Sections 301.560.1](#) and [301.280\(2\)](#), RSMo, require that dealers maintain books, records, files, and other matters required and necessary to conduct the business (BRF) at the registered location of the dealership. Paper BRF are normally maintained by dealerships; however, if a dealer desires to maintain BRF digitally, they may do so provided they adhere to the following standards established by the Department of Revenue as a party under the Uniform Electronic Transactions Act:

- Secure documents including, but not limited to, certificates of ownership, manufacturer statement of origin, and secure powers of attorney must continue to be maintained in paper format.
- Paper BRF must be scanned or retained digitally in a high quality which preserves the integrity of the original documents.
- Digital BRF must be organized in a reasonable way and labeled such that they are easily identifiable and accessible for inspection purposes.
- As required by [Section 301.564](#), RSMo, BRF must be accessible to law enforcement and Department personnel during regular business hours.
- The dealer must be willing to reproduce digital BRF upon request to law enforcement or Department personnel, either by forwarding requested BRF via email; providing BRF via flash drive, compact disc (CD), or other digital media format which is mutually agreed to by the dealer and Department personnel; or by printing the BRF maintained digitally. Any dealer who refuses to provide copies of digital BRF will be required to provide paper copies of BRF for inspection purposes.
- It is strongly suggested that digital BRF be backed up to prevent total loss. ***Loss of digital BRF, for whatever reason, will be considered a violation of applicable dealer licensing statutes.***

Failure to open books, records, files, and other documentation for inspection during normal business hours, for whatever reason, will be considered a violation of the applicable dealer licensing statutes.

Failure to maintain digital BRF in accordance with the policies outlined in this section will be considered a failure to abide by the conduct and security procedures required by the Department as a party under the Uniform Electronic Transaction Act, [Sections 432.200 to 432.295](#), RSMo, and will subject the dealership to disciplinary action.

TEMPORARY PERMIT RECORDS

[Section 301.140\(6\)](#), RSMo, provides in part that, “Every motor vehicle dealer that issues temporary permits shall keep, for inspection by proper officers, an accurate record of each permit issued by recording the permit number, the motor vehicle dealer's number, buyer's name and address, the motor vehicle's year, make, and manufacturer's vehicle identification number, and the permit's date of issuance and expiration date.”

BUSINESS RECORDS

Missouri Code of State Regulations, [12 CSR 10-26.050](#), provides for what business records must be kept by boat dealers, boat manufacturers, motor vehicle dealers, wholesale motor vehicle dealers, and motor vehicle manufacturers, as well as the retention period of these records. The licensee must maintain:

- Clear and complete books, records, files, and other matters required and necessary to conduct the business of manufacturing and or selling motor vehicles, trailers, or boats including, but not limited to, titles, riders, disclosure statements, affidavits, inventory, and related documentation;
- Sufficient proof of ownership at the business location for each vehicle or unit owned by the licensee in the form of a certificate of ownership or copy thereof, bill of sale, or invoice;
- The business records at the office of the licensee's business location;
- The business records for a period of not less than five years, unless otherwise specified by law; and
- Clear and complete copies of all odometer disclosure documents issued and received by the licensee for a period of five years.

INSPECTION OF RECORDS

An employee of the Department of Revenue or any authorized or designated employee of law enforcement is authorized by Missouri law to inspect (during regular business hours) any of the following documents, which are in the possession or under the control of any person or agent licensed or registered as a vehicle manufacturer, boat manufacturer, motor vehicle dealer, boat dealer, wholesale motor vehicle dealer, wholesale motor vehicle auction, or a public motor vehicle auction under [Sections 301.550 to 301.573](#), RSMo:

- The title to any vehicle or vessel;
- Application for title to any vehicle or vessel;
- Any affidavit under [Sections 301.550 to 301.573](#) or [Chapter 407](#), RSMo;
- Assignment of title to any vehicle or vessel;
- Any disclosure statement or other document relating to mileage or odometer readings required by the laws of the United States or any other state; and
- Any inventory and related documentation.

Regular business hours are defined in the Missouri Code of State Regulations, [12 CSR 10-26-010](#) and in [Section 3](#).

For purposes of this section, the term “law enforcement” shall mean any of the following:

- Attorney general, or any person designated by him to make such an inspection;

- Any prosecuting attorney or any person designated by a prosecuting attorney to make such an inspection;
- Any member of the highway patrol;
- Any sheriff or deputy sheriff; or
- Any peace officer certified under [Chapter 590](#), RSMo, acting in their official capacity.

SALVAGE BUSINESS

RECORD KEEPING REQUIREMENTS

[Section 301.225](#), RSMo, requires each salvage business licensee to maintain a record for three years on every vehicle, used transmission, rear end, cowl, frame, body, front-end assembly, or engine acquired, for vehicles less than seven years old.

In addition, [Section 301.225](#), RSMo, also requires each salvage business licensee to maintain a record on every vehicle wrecked, dismantled, or disposed of by them, including the date it was wrecked, dismantled, or disposed. If the vehicle is sold to a scrap metal operator, the licensee must also record the operator's name and address.

The record must contain the following information:

- The date of its receipt or acquisition;
- The name and address of the person or business from whom it was received;
- The vehicle's identifying number and description;
- The date it was sold to the scrap metal operator; and
- The scrap metal operator's name and address.

For any vehicle not sold to a scrap metal operator, the salvage business licensee must have a record of:

- The vehicle's description and identifying number;
- The date he or she received it;
- The name and address of the person from whom it was received; and
- The date the vehicle was disposed.

INSPECTION OF RECORDS

[Section 301.225](#), RSMo, also requires each salvage business licensee to maintain a complete set of books, records, and files on motor vehicles/motor vehicle parts acquired for resale. They must be kept in the business office, at the registered location and be available during reasonable business hours for the inspection by appropriate law enforcement officials.

PROOF OF OWNERSHIP FOR DEALERS

GENERAL INFORMATION

[Section 301.200](#), RSMo, and [12CSR 10-26.050](#) require all dealers to have proof of ownership, proof the dealer has applied for a certificate of ownership, or proof that a prior lien has been satisfied by the dealer, on all motor vehicles or trailers in the dealer's possession. Proof of ownership must be maintained at the registered dealer location and available for inspection by appropriate law enforcement officials. Proof of ownership may be in the form of a:

- Certificate of title properly assigned to the dealer;
- Manufacturer's Statement of Origin (MSO) properly assigned to the dealer;
- Photocopy (front and back) of the certificate of title or MSO properly assigned to the dealer;
- Bill of sale indicating year, make, and vehicle identification number of the vehicle and dealer as purchaser; or
- An auto auction invoice or receipt indicating year, make, and vehicle identification number of the vehicle and dealer as purchaser.

SELLING NEW MOTOR VEHICLES **REQUIREMENTS**

Dealers selling new motor vehicles must be franchised with the manufacturer to sell each particular make. The dealer must submit a copy of the franchise agreement(s) with the dealer's application for registration. If the dealer enters into additional franchise agreement(s) during the year, copies of the agreement(s) must be immediately filed with Motor Vehicle Bureau, Dealer Licensing Section, PO Box 43, Jefferson City, Missouri 65105-0043.

Manufacturers of motor vehicles must issue franchise agreements to the dealers authorized to sell their makes of motor vehicles. The manufacturer must supply a Manufacturer's Statement of Origin (MSO) for each vehicle or vehicle body manufactured. A dealer should contact the Federal Department of Transportation for questions regarding assignment of vehicle identification numbers by calling (202) 366-5302 or by fax at (202) 493-0073.

RESTRICTIONS

When a dealer is listed as the purchaser on the Manufacturer's Statement of Origin for a vehicle they are not franchised to sell, the transaction is deemed a "first sale" of the vehicle. A non-franchised dealer cannot transfer ownership on the Manufacturer's Statement of Origin, the dealer must apply for a Missouri title in the dealership's name and pay the appropriate title fee. The vehicle is then deemed a **used** vehicle; it is unlawful for any dealer to hold forth, offer for sale, advertise, or sell such a motor vehicle as a **new** motor vehicle.

This does not apply to new manufactured homes or trailers. The Motor Vehicle Bureau performs a daily computer check to detect violations. Violations of [Section 301.568, RSMo](#), could result in the suspension of the dealer's license.

TRANSFERRING OWNERSHIP OF A MOTOR VEHICLE

[Section 301.210](#), RSMo, requires both parties (buyer and seller) to sign and complete a properly assigned certificate of ownership at the time of sale of a motor vehicle or trailer. **It is unlawful for any person or dealer to “skip” assignment or be in possession of an “open title”.** An “open title” is a title that has the seller’s signature in the title assignment area but the purchaser’s information is blank.

BUYING AND SELLING A VEHICLE WITHOUT TITLE

[Section 301.210](#), RSMo, allows a licensed motor vehicle dealer to deliver a motor vehicle or trailer to a purchaser with a written agreement to pass the certificate of ownership with an assignment to the purchaser within thirty days after delivery, inclusive of weekends and holidays. In such cases:

- The dealer must have a surety bond or irrevocable letter of credit on file with the director of revenue in an amount not less than \$100,000; and,
- The dealer and the purchaser must have entered into a written agreement for the subsequent assignment and delivery of such certificate of ownership. The dealer must use the *Agreement for Delayed Delivery of Certificate of Ownership* ([Form 5830](#)) for purposes of complying with the written agreement requirement.

If the motor vehicle dealer does not pass the certificate of ownership with an assignment to the purchaser within 30 days, the sale shall be voidable at purchaser's option and, in such case, the dealer shall repurchase the vehicle by paying and satisfying, in full, any purchase money lien against the vehicle, including accrued penalties and fees, with the remainder of one hundred percent of the sale price refunded and paid by the dealer to the buyer. The term **"sale price"** shall include the negotiated price of the vehicle, the down payment, the trade-in allowance (even if the allowance reflected negative equity), and the price of all optional services and products sold to the buyer under the sales and finance transaction.

[Section 301.213](#), RSMo, allows a licensed motor vehicle dealer to purchase or accept in trade any motor vehicle for which there has been a Missouri certificate of ownership issued although no such certificate of ownership is present at the time of the purchase or trade. This process does not apply to motor vehicles titled in another state.

In order to purchase or accept a vehicle without the title, the motor vehicle dealer must:

- Provide a surety bond or irrevocable letter of credit to the director of revenue in an amount not less than \$100,000;
- Have a signed written contract with the owner of the vehicle outlining the terms of the sale or acceptance in trade of such motor vehicle without transfer of the certificate of ownership;
- Have physical delivery of the vehicle; and
- Have a secure power of attorney from the owner authorizing the licensed dealer to obtain a duplicate or replacement title in the owner's name and sign any title assignments on the owner's behalf.
 - The power of attorney document required for this type of transaction must be a **secure** power of attorney. See *Secure Power of Attorney* ([Form 5086](#)).

Upon completion of all the requirements above, the sale or trade of the motor vehicle to the motor vehicle dealer shall be considered final, subject to any liens created and perfected under [Sections 301.600 to 301.660](#), RSMo. Upon delivery of the motor vehicle to the motor vehicle dealer, the prior owner’s insurable interest in the motor vehicle shall cease.

A motor vehicle dealer who purchases or accepts a motor vehicle for trade without a certificate of ownership as stated above may sell the motor vehicle prior to receiving and assigning the certificate of ownership to the purchaser if the motor vehicle dealer complies with the following:

- Receives proof of financial responsibility and proof of comprehensive and collision insurance coverage on the vehicle from the purchaser;
- Ensures all outstanding liens created on the vehicle pursuant to [Sections 301.600 to 301.660](#), RSMo, have been paid in full;
- The dealer has obtained proof or other evidence from the Department of Revenue confirming that no outstanding child support liens exist upon the vehicle at the time of sale;
 - The child support lien database can be found at the following website
 - Search the child support database using the vehicle's VIN. If no match is found print the screen which indicates "No Rows to Display".
 - If a VIN match is found, ownership cannot be transferred until the lien has been satisfied.
- The dealer has obtained proof or other evidence from the Department of Revenue confirming that all applicable state sales tax has been satisfied on the sale of the vehicle to the previous owner;
- The dealer and the purchaser have entered into a written agreement for the subsequent assignment and delivery of such certificate of ownership. The dealer must use *Motor Vehicle Dealer Written Agreement To Sell Without Title* ([Form 5620](#)) for purposes of complying with the written agreement requirement;
- The dealer has applied for a duplicate certificate of ownership in the previous owner's name; and
 - Although the dealer must apply for a duplicate title in the previous owner's name, the dealer **MUST** apply for the duplicate title no more than ten days after acquiring the vehicle from the previous owner.
- The dealer must assign and deliver the duplicate certificate of ownership within five business days of receiving the duplicate certificate of ownership and no more than 60 calendar days after delivery of the motor vehicle.
 - A dealer shall be deemed to have delivered the certificate of ownership to the purchaser upon either physically giving the certificate of ownership to the purchaser or by mailing the certificate of ownership with postage prepaid and return receipt requested to the address identified in the contract with the purchaser.

At the time the motor vehicle is delivered, the dealer must provide the following documentation to the purchaser:

- A copy of the completed *Motor Vehicle Dealer Written Agreement To Sell Without Title* ([Form 5620](#));
- A notarized lien release for any lien perfected on the vehicle by the previous owner's lienholder;
- A copy of the contract for sale of the vehicle;
- A copy of the duplicate title application;
- A copy of the secure power of attorney from the previous owner to the dealer;
- Proof or other evidence from the Department of Revenue confirming that no outstanding child support liens exist upon the vehicle at the time of sale; and
 - The child support lien database can be found at the following website.
<https://dor.mo.gov/motorv/childlien/>
 - Search the child support database using the vehicle's VIN. If no match is found print the screen which indicates "No Rows to Display".

- If a VIN match is found, ownership cannot be transferred until the lien has been satisfied.
- Proof or other evidence from the Department of Revenue confirming that all applicable state sales tax has been satisfied on the sale of the vehicle to the previous owner.

The completion of these requirements shall constitute prima facie evidence of an ownership interest vested in the purchaser of the vehicle for all purposes other than for a subsequent transfer of ownership of the vehicle by the purchaser, subject to the rights of any secured lienholder of record. However, in the event that such vehicle has been declared salvage or a total-loss by an insurance company, the purchaser may use the dealer-supplied copy of the agreement to transfer his or her ownership as a result of a settlement of a claim. Such insurance company may apply for a salvage certificate of title or junking certificate pursuant to the provisions of subsection 3 of [Section 301.193](#), RSMo, in order to transfer its interest in such vehicle. If a dealer fails to provide a properly assigned title in accordance with [Section 301.213](#), RSMo, and the purchaser of the vehicle is thereby damaged, the dealer shall be liable to the purchaser of the vehicle for actual damages, plus court costs and reasonable attorney fees.

The purchaser may also use the dealer-supplied copy of the *Motor Vehicle Dealer Written Agreement to Sell Without Title* ([Form 5620](#)) as proof of ownership interest. Any lender or insurance company may rely upon a copy of the signed written agreement as proof of ownership interest. Any lien placed upon a vehicle based upon such signed written agreement shall be valid and enforceable, notwithstanding the absence of a certificate of ownership.

If the dealer cannot be found by the purchaser after making reasonable attempts, or if the dealer fails to assign and deliver the duplicate or replacement certificate of ownership to the purchaser by the date agreed upon by the dealer and the purchaser, then the purchaser may deliver the following to the director of revenue:

- A copy of the contract for sale of the vehicle;
- A copy of the application for duplicate title provided by the dealer to the purchaser;
- A copy of the secure power of attorney allowing the dealer to assign the duplicate title; and
- A copy of *Motor Vehicle Dealer Written Agreement to Sell Without Title* ([Form 5620](#)) negotiated between the purchaser and the dealer.

The director shall mail by certified mail, return receipt requested, a notice to the dealer at the last address given to the Department by that dealer. That notice shall inform the dealer that the director intends to cancel any prior certificate of title which may have been issued to the dealer on the vehicle and issue to the purchaser a certificate of title in the name of the purchaser, subject to any liens incurred by the purchaser in connection with the purchase of the vehicle, unless the dealer, within ten business days from the date of the director's notice, files with the director a written objection to the director taking such action. If the dealer does file a timely, written objection with the director, then the director shall not take any further action without an order from a court of competent jurisdiction. However, if the dealer does not file a timely, written objection with the director, then the director shall cancel the prior certificate of title issued to the dealer on the vehicle and issue a certificate of title to the purchaser of the vehicle, subject to any liens incurred by the purchaser in connection with the purchase of the vehicle and subject to the purchaser satisfying all applicable taxes and fees associated with registering the vehicle.

If a seller misrepresents to a dealer that the seller is the owner of a vehicle and the dealer, the owner, any subsequent purchaser, or any prior or subsequent lienholder is thereby damaged, then the seller shall be liable to each such party for actual and punitive damages, plus court costs and reasonable attorney fees.

When a lienholder is damaged as a result of a licensed dealer's acts, errors, omissions, or violations of [Section 301.213](#), RSMo, then the dealer shall be liable to the lienholder for actual damages, plus court costs and reasonable attorney fees.

A dealer's repeated or intentional violation of [Section 301.213](#), RSMo, may be cause to suspend, revoke, or refuse to issue or renew any license required pursuant to [Sections 301.550 to 301.580](#), RSMo, in addition to the causes set forth in [Section 301.562](#), RSMo. The hearing process shall be the same as that established in subsection 6 of [Section 301.562](#), RSMo.

Participating dealers must provide the Department of Revenue with a copy all completed *Motor Vehicle Written Agreement to Sell Without Title* ([Form 5620](#)). Email the completed forms to dealerlic@dor.mo.gov.

Dealers who have filed the \$100,000 surety bond or irrevocable letter of credit for the purpose of selling a motor vehicle without a title pursuant to [Section 301.210](#), RSMo, may also be eligible to issue a 60-day temporary permit for such vehicles. See [Section 21](#) for more information regarding temporary permits.

RESCINDED SALES

[Section 144.071](#) RSMo, permits a purchaser of a motor vehicle, trailer, vessel (watercraft), or outboard motor who rescinds the sale to receive a full refund of all state and local taxes paid on purchase price of the unit. Purchaser must return the unit to seller within 60 days of purchase to receive a refund of the purchase price. ***Related titling, processing, and registration fees will not be refunded.*** Legislation allows a vehicle owner to surrender the license plate(s) and receive credit for time remaining towards purchase of another license plate(s) regardless of the type of license (e.g., passenger, truck or trailer). To receive a refund of applicable taxes, purchaser must submit:

- A *Motor Vehicle Refund Request Application* ([Form 426](#)) completed and signed;
- The original receipt showing payment of taxes;
- Attachment signed by the seller and the purchaser, stating date the vehicle/trailer/vessel/motor was returned, year, make, vehicle identification number, the facts/reason for the rescinded sale and amount of purchase price refunded; and
 - A descriptive notarized lien release/non-interest statement from any lienholder shown. The statement must include the purchaser's name and the year, make, and identification number of the unit.
 - Each claim for a rescinded sale refund must be made within one year after payment of the tax on which the refund is claimed.

When Seller Must Apply for Title on a Rescinded Sale

When a certificate of title is assigned to a purchaser and sale is rescinded, the assigned certificate of title is considered mutilated.

Non-Dealer as Seller

If seller is not a dealer, they must apply for a duplicate title by submitting the following:

- Application for duplicate title;
- Original assigned title
- Statements signed by purchaser, seller, and if applicable, lienholder acknowledging that the sale has been rescinded;
- Appropriate title fee; and
- Appropriate processing fee.

Dealer as Seller

If a licensed dealer assigned a title to someone who later rescinds the sale, the dealer must apply for an original title. If the unit was sold on a Manufactured Statement of Origin (MSO), the dealer can reassign the MSO to the new purchaser. Dealer must submit:

- Application for original title;
- Original assigned title
- Statements signed by purchaser, seller, and if applicable, lienholder acknowledging that the sale has been rescinded;
- Appropriate title fee; and
- Appropriate processing fee.

If a certificate of title has already been issued in the name of the purchaser who wants to rescind the sale, the purchaser must properly assign the title to the seller and provide seller with appropriate statements rescinding the sale. If original seller is not a dealer, he or she must apply for title within 30 days to avoid a title penalty.

DUPLICATE MANUFACTURER'S STATEMENT OF ORIGIN (MSO)

Some manufacturers do not issue a duplicate Manufacturer's Statement of Origin once the original has been assigned and delivered to a retail customer. Instead, the manufacturer furnishes a statement to the selling dealer certifying the vehicle was sold to the dealership.

The manufacturer's statement will be accepted in lieu of a duplicate Manufacturer's Statement of Origin. The selling dealer could complete a *Reassignment of Ownership by Registered Dealer* ([Form 2447](#)) or provide a copy of the front and back of the original assigned MSO and attach it to the manufacturer's statement. These two documents will serve as proof of ownership and proper odometer disclosure for title applicant.

REASSIGNMENT OF OWNERSHIP BY A REGISTERED DEALER (RIDERS) **(SECTION 301.200, RSMo)**

A *Reassignment of Ownership by Registered Dealer* ([Form 2447](#)) is a secure document issued by the Director of Revenue in accordance with [Section 301.200](#), RSMo, provides registered Missouri dealers (not out-of-state dealers) one additional assignment as an extension of the ownership document. See [12 CSR 10-23.434](#) for information regarding who may use a rider form and when a rider form may be used.

Riders may be used with a Missouri certificate of title, Manufacturer's Statement of Origin, or an out-of-state certificate of title. Only one original rider may be used with each transaction. Applicants must retain a photocopy of Form 2447 for their records. A MISSOURI DEALER MAY NOT ATTACH A RIDER TO A MISSOURI OR OUT-OF-STATE SALVAGE TITLE.

Riders are issued at no cost in books of 50. Riders may be obtained by calling (573) 526-3669, Option 7, emailing dealerlic@dor.mo.gov, or by submitting a written request to Missouri Department of Revenue, Motor Vehicle Bureau, Dealer Licensing Section, PO Box 43, Jefferson City, Missouri 65105-0043. When contacting the Department, be sure to include the following:

- Dealership name and address;
- Dealer license number; and
- Quantity of books requested.

Completing the Rider

All fields on the rider must be completed. In the purchaser(s) and seller(s) name blocks, **one** purchaser and **all** sellers **must physically hand print their names**. The dealer must legibly hand print the name of the dealership, agent's name and their title/position in the company when the dealer

is purchaser or seller. One purchaser and all sellers must also sign the form in the designated areas. The **original** [Form 2447](#) must be submitted, but the dealer must retain a photocopy for their records.

CONSIGNMENT SALES

When a dealer sells any unit on consignment for an individual, they must adhere to one of the following procedures:

- Individual must assign ownership document to the dealer. **The dealer can then demonstrate the unit using their dealer license plates or placards.** Dealer can assign the ownership document to purchaser and make a proper odometer disclosure as in any other sale the dealer makes, if applicable.
- Individual must provide the dealer a copy of ownership document and written authorization to offer the unit for sale. **Dealer cannot use dealer license plates or placards on the unit. Dealer must use the owner's current registration.** If an accident occurs, owner of the unit, **not the dealer**, may be held financially responsible. When actual sale takes place, owner must assign ownership document directly to the purchaser and provide an odometer disclosure, if applicable.

INFORMATION FOR AUCTIONS AND DEALERS SELLING AT AUCTIONS

If an auctioneer is conducting business with both buyer and seller present, the seller must assign title directly to buyer. The seller must list purchaser's name in the assignment area. The seller may not leave purchaser's name blank, as this constitutes an open title. The seller must disclose mileage to the buyer, except on an exempt vehicle. The auctioneer becomes a transferor (seller) if they buy a vehicle and later auctions it. If auctioneer is acting as consignee for a seller who is not present, the seller must execute a regular power of attorney authorizing auctioneer to make the disclosure.

- If a dealer brings a motor vehicle to an auction, but is not present at time of sale, the following must be followed:
 - If a title is involved, seller should give the auction a power of attorney and title document;
 - Representative of the auction should complete title assignment on behalf of the seller. The purchaser(s) must print and sign their name(s) in the designated area for odometer disclosure, if applicable;
 - The auction must provide the dealer with copies of the front and back of the title and supporting documents;
 - The representative of the auction cannot sign as seller and purchaser for the same transaction; and
 - When reporting the sale on dealer's monthly report, dealer must list the actual purchaser not the auto auction.

AUCTIONS – RECORDS REQUIRED

Auction companies are required to record and maintain in their files for five years:

- The name(s) of the seller(s) and purchaser(s);
- Vehicle identification number; and
- Odometer reading on date the auction took possession of the unit.
 - If the auction sells more than six cars within a 12-month period as transferor (seller) or

transferee (purchaser), the auction must retain a copy of every odometer disclosure statement they issue and receive.

LEASE RENTAL LICENSE REQUIREMENTS

If the lease rental company elects to pay taxes at the time of titling, a license is not required.

DEALERS LICENSED AS A LEASE RENTAL COMPANY

When a motor vehicle dealer is also licensed as a lease rental company, the businesses must operate as two separate entities for titling and record-keeping requirements. For example, a dealership may title a motor vehicle in the dealership's name and claim a sales tax exemption (Exemption 3) because the vehicle was purchased for resale.

However, if the dealer later decides to lease the vehicle, an assignment must be made, and a new title obtained, transferring ownership from the dealership name to the lease rental company name. The new title will reflect a sales tax exemption (Exemption 12) indicating the vehicle was purchased for lease/rental purposes. This transfer/sale must be reported on the dealer's monthly sales report to the Motor Vehicle Bureau. To avoid confusion, **the dealership and lease rental company should be registered under two different names**, e.g., "John's Auto Sales" for the dealership and "John's Auto Leasing" for the lease rental company. One sales tax license is sufficient if the lease rental company is also registered as a dealer.

NOTE: Vehicles titled in the name of the lease/rental company may not display dealer license plates.

If any person subpoenaed to appear at any hearing or proceeding fails to obey command of such subpoena without reasonable cause or if any person attending a hearing or proceeding will, without reasonable cause, refuse to be sworn or to be examined or to answer a question or to produce a book or paper or to subscribe or swear to his deposition, such person is guilty of a class B misdemeanor and on conviction, may be punished by a fine of not more than \$500, or by imprisonment, and in the case of a continuing violation, each day's continuance following will be a separate and distinct offense.
